				<u>IT'S A MIRACLE</u>		Barbara McGuigan, founder of Voice of Virtue International, has spoken to thousands on the sacredness of human life, and the global destruction of God's creation through abortion, infanticide, and euthanasia. One of the greatest joys in her pro-life apostolate is teaching the true meaning and value of the Christian virtue of chastity to teens and young adults. Her warmth, wit, deep faith and vast reservoir of experience with teenagers and parents alike make her much in demand as a speaker. Teenage viewers will be inspired in their faith and the message of God's love and the dignity of the person He has created them and us to be.	<u>Pro-Life</u>
